

## CODE OF CONDUCT AGREEMENT

From the Oregon City School District Website:

Everyone is welcome in our schools regardless of race, gender identity, sexuality, immigration status, country of origin, disability, religious beliefs, or other factors. Everyone is entitled to academic success regardless of background or family circumstances and each student will be provided the necessary support to ensure that success. Our discipline policies and practices, including the Code of Conduct, are built around this commitment. In Oregon City, we value the contributions everyone makes to our learning community and we utilize the least exclusionary discipline practices possible in order to provide students with ongoing access to instruction, an opportunity to be held authentically accountable, and the chance to learn from their mistakes.
